**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Ive a long time Sonic Fiber customer and have been very pleased with Sonics service. I recently learn that AT&T is trying to pass an ACT which will hinder Sonic Fibers future development. In the US, healthy cpmpetition will bring improvement to peoples life. I believe the ACT that AT&T s proposed restriction on Sonic Fibers future development will be an unfair situation to the smaller companies such as Sonic. I would be strongly against such ACT. I hope FCC would disapprove AT&Ts petition and let Sonic Fiber develop further and provide more quality internet service to the people.

Thank you!

Regards,

Jia Chen
